Outer diameter	91 mm											
Dimension	H=129mm											
Weight	0,8 kg											

- Light source: CoB-LED
- System power: 34 W
- Colour reproduction index: CRI >90
- Power supply: with power supply

- Connected load: 30 W
- Connection voltage: 220-240 V
- Energy efficiency: A++ - A
- Protection class: 2
- Test certificates: CE
- Colour: black
- Material: body in coated die-cast-aluminium, clear glass
