

MET-14WW7

Light up with: LED
System power: 14 W
Luminous flux: 652 lm
colour temperature: 3000 K
colour rendering index: CRI >80
Power supply: with power supply
connection voltage: 220-240 V
system efficiency: 47 lm/W
energy efficiency: A++-A
protection class: 1
test certificates: CE
weight: 0,768 kg
colour: metallized grey
material: die-cast aluminum
version: Light emission directed on both sides
INFO*: dimmable phase cut
protection type: IP65
dimension: L=220*W=100*H=50 mm
