Suspension kit for LED panel Galileo

With LEDON's suspension kit you can use the LEDON LED panel as decorative pendant luminaire. The stainless steel cables are adjustable and allow a flexible adaptation to the respective room situation. The anchoring for the screw connection of the ropes is provided on the back of the panel, what enables a simple installation.

ITEM DESCRIPTION	ARTICLE CODE	EAN CODE	FINISH
LED PANEL SUSPENSION KIT 4x1M	29001064	9 009453 007957	Stainless steel
LED PANEL SUSPENSION KIT 4x2M	29001096	9 009453 008787	Stainless steel

including screws and mounting parts

For indirect light upwards when suspending the luminaire, LEDON offers an LED backlight (art. 29001142) as accessory.
