

## MET-14WW6

**Light up with:** LED  
**System power:** 14 W  
**Luminous flux:** 652 lm  
**colour temperature:** 3000 K  
**colour rendering index:** CRI >80  
**Power supply:** with power supply  
**connection voltage:** 220-240 V  
**system efficiency:** 47 lm/W  
**energy efficiency:** A++-A  
**protection class:** 1  
**test certificates:** CE  
**weight:** 0,768 kg  
**colour:** graphite  
**material:** die-cast aluminum  
**version:** Light emission directed on both sides  
**INFO\*:** dimmable phase cut  
**protection type:** IP65  
**dimension:** L=220\*W=100\*H=50 mm
