- Amazon Fire Phone & Tablet
- Google Nexus 4
- Google Nexus 7 (2012)
- HTC Desire 620
- HTC Desire 626
- HTC Nexus 9
- Nexus 9

Smartphone Case Compatibility: Some thicker smartphone cases (especially ruggedized ones) do not provide enough clearance around the connection port. To use the camera you must either remove the case, or attach the camera using an extender/adaptor.

Operating System Compatibility: The Android and iOS Seek Thermal apps require a minimum of Android 4.3 and iOS 8.0, respectively. The apps will not download if your smartphone does not satisfy the minimum requirement.
